

**XVI INTERNATIONAL CONFERENCE  
GRAPHIC EXPRESSION APPLIED TO BUILDING  
APEGA 2023\_CUENCA**

2023.09.28-30

**Dear colleague**

We are pleased to announce the **CALL FOR PAPERS for the XVI INTERNATIONAL CONFERENCE OF GRAPHIC EXPRESSION APPLIED TO BUILDING APEGA 2023**, to be held on September 28, 29 and 30, 2023 at the ESCUELA POLITÉCNICA DE CUENCA of the UNIVERSIDAD DE CASTILLA-LA MANCHA - Spain.

This biennial program has been held since 1991 under the commitment of the Asociación de Profesores de Expresión Gráfica Aplicada a la Edificación (APEGA) to encourage, strengthen, guide, develop and promote the teaching of GRAPHIC EXPRESSION in in the university degrees of Technical Architecture, Building Engineering and all degrees in the building field.

**THINKING BY DRAWING** is the motto of this edition, which aims to focus on a comprehensive **analysis of GRAPHIC EXPRESSION APPLIED TO BUILDING**.

-without losing sight of all the knowledge and learning that has allowed us to move with the times and provide a better service to society, including its undeniable (although also incipient) digital transformation,

**aimed at affirming and/or re-establishing its objectives and methodologies**, so that it can serve to revise the teaching/learning processes to be incorporated into the educational system in which it is integrated. This Conference is thus a great opportunity for professionals and teachers to contribute their experience and participate in the debate on the future of GRAPHIC EXPRESSION APPLIED TO BUILDING.

The present edition proposes a **transversal structure of the thematic lines of the communications**, according to which the different communications will be specifically assigned to each one of them by the Organizing Committee of the Conference - at the proposal of the reviewer - not so much according to the subject matter they deal with, but according to the approach with which it is treated. **The thematic lines proposed are the following:**

**LINE 1\_**

**1a IDEA [RESEARCH]**

The papers whose objective is not so much to achieve a graphic representation that allows the exhaustive analysis and/or production of what is represented, but the mere suggestion or presentation of data whose treatment could lead to achieve it, as well as those other papers in the research phase, are included in this category.

**LINE 2\_**

**2a el MÉTODO [TEACHING]**

It includes papers that especially affect the process of abstraction of reality prior to its graphic representation or modeling, as well as other papers oriented to teaching/learning processes of GRAPHIC EXPRESSION APPLIED TO BUILDING.

**LINE 3\_**

**3a IMAGEN [WORKING]**

It integrates the papers of works or exercises of GRAPHIC EXPRESSION APPLIED TO BUILDING that manage to achieve, with clarity and mastery, its objective of serving the exhaustive analysis and/or production of what is represented (the building).

## DEADLINES

---

The main dates of APEGA 2023\_CUENCA are:

- deadline for **receipt of ABSTRACTS: April 3, 2023.**
- deadline for **receipt of PAPERS: May 15, 2023.**
- notification of **acceptance of PAPERS: June 9, 2023.**
- deadline for **REGISTRATIONS: June 23, 2023.**
- **celebration of the CONFERENCE: September 28-30, 2023.**

## ABSTRACTS

---

The paper proposal -maximum 3 per author- will be formalized through the approval of a first ABSTRACT to be submitted according to the following:

- will be based on the **attached template** -in DOC format, SPANISH or ENGLISH version- downloadable from the conference website or from the following links:
  - ABSTRACT-SPANISH template: <https://cutt.ly/88IYgJg>
  - ABSTRACT-ENGLISH template: <https://cutt.ly/R8IYtCF>
- the applicant shall use the styles and the data requested therein, including the selection of the main thematic line of the proposal, possible secondary line and identify up to three of the subjects covered,
- • will be saved in **PDF format** and the file will be **renamed** with three fields separated by "\_" indicating:
  - main thematic line proposed -"L1", "L2" o "L3"-,
  - first author's last name in capital letters, and
  - brief description of the content of the proposal in lowercase letters.for example: "L2\_GARCÍA GARCÍA\_BIM teaching"
- the resulting file **will be sent to** the conference e-mail address **secretaria@apega2023cuenca.com** indicating, in the **subject of the e-mail**, the same title with which the attachment was renamed.

**The deadline for receipt of ABSTRACTS is 23:59 pm on April 3, 2023.**

The final papers of the congress will be published with DOI number and ISBN.

## CONTACT

The web page where all the updated information on the Conference will be posted is <http://www.apega2023cuenca.com>. There you will be able to see in greater detail the thematic lines proposed, as well as all the information of the event as it is updated.

You can also contact us by e-mail at [secretaria@apega2023cuenca.com](mailto:secretaria@apega2023cuenca.com) where we will answer any questions you may have.

We look forward to your participation in the Conference with a PAPER, with your work in the EDIGRÁFICA exhibition, as a participant in our WORKSHOPS or as an attendee. We will also be very grateful if you contribute to spread APEGA 2023 among your colleagues.

**Best regards,**

David Valverde Cantero
